Alaska State **LIBRARY**
Your Information Partner

The Alaska State Library is a statewide research library for Alaska State government.

Reference & Research Services

Qualified and knowledgeable library professionals are able to assist you with your fact finding and research. E-mail us at any time. We can usually provide the answer you seek within one business day. If you would prefer to talk to a person, call the State Library at 465-2921.

www.library.alaska.gov/forms/askalibindex.html

Online Resources

Save time during research through computerized access to databases, unique journals, and other electronic resources.

www.library.alaska.gov/index/index.html

Interlibrary Loan

If we can't get it for you from our collection, we can usually obtain it from another library, from Alaska to Norway and beyond.

Alaska State Library

Information Resources for Legislators

Work better with high quality information at your fingertips!

Table of Contents Service

Stay current with your favorite professional journals by receiving a table of contents each time we get a new issue. Request the articles you need and we will send them, too!

www.library.alaska.gov/forms/tocrequest.cfm

Alert Services

Receive information alerts electronically on current news, trends and literature in any area of interest.

www.library.state.ak.us/forms/infoalert.html

Track Federal Legislation & Regulations

Create a customized profile to stay informed of legislation and regulations that affect your constituents.

www.library.state.ak.us/forms/federalTracking.html

Information Resources for Legislators

Alaska's Digital Pipeline

www.sled.alaska.edu/databases

Get full-text information and citations on a wide range of topics including:

- ★Article databases
- ★Dictionaries, encyclopedias, etc.
- ★Consumer and professional health resources
- ★Foreign language courses
- ★College and career preparation
- ★Even how to fix your four-wheeler!

Legislative Library Account

An agency library account has been provided for each representative at the Alaska State Library.

Our standard practice is to allow your staff and pages to check out materials for you and to access your account for holds, renewals, etc. If you would prefer to limit access to this account, please contact us at 465-2920.

You may also request a Capital City Libraries (CCL) card for your personal use.

Contact us at 465-2920 or *asl@alaska.gov* for more information or assistance.

Convenient

Find full-text articles, e-books, and reference sources through our website. Library staff provides in-depth research assistance via e-mail or by telephone.

★

Current

Receive the news as it happens with Information Alerts and Table of Content services. We subscribe to Alaska newspapers and key national titles.

★

Complete

We provide access to thousands of full-text books in a wide range of academic and technical subject areas. If we don't have it we will get it for you.

Law & Government Databases

CQ Researcher Online

For in-depth, unbiased coverage of current issues facing the country.

Congressional

Federal legislation, legislative histories and Congressional Record.

These and more at:

www.library.alaska.gov/index/index.html#law

Alaska Historical Collections

Is authorized by Alaska Statute 14.56.080 to:

- ★ Collect, catalog, and preserve an Alaska collection consisting of books, laws, pamphlets, periodicals, AV materials, etc.
- ★ Serve as a depository for state and federal historical publications concerning Alaska
- ★ Acquire, catalog, and maintain private papers and manuscripts relative to Alaska

Contact us at 465-2925 or asl.historical@alaska.gov
